Summary

Lawyer specialized in Law and Sports Management.

In the field of Law, I am strongly interested in commercial deals in the global sports market, including general contract law, franchising, sponsorships, broadcasting agreements, player contracts, sports agent contract as well as international arbitration and alternative dispute resolution in the context of sports disputes; subject matters, including contractual, disciplinary (e.g. corruption, doping, match-fixing, Financial Fair Play), regulatory and governance disputes.

In the field of Sports Management, I am passionately interested in the management and operation of Sports Entities, organization of Sports Events as well as in the representation and intermediation of Professional Athletes.
